NYON GP3100

Thin rafters for visibility

Optional LED lighting

Optional shading ARNEX

reddot award 2018
winner

- Elegant, filigree all-weather roof
- Narrow rafters provide an unobstructed view into the sky
- Furniture is also protected against rain
- Extension options:
Shading under the glass
Side/Front shading
Side/Front glazing
LED lighting (spots or stripes)
- Large distance between columns - due to reinforced water channel (optional)
- Snow load can be adjusted to local conditions
- Wall connection profile can be attached tightly
- The roof water is not visibly drained through the columns.
- Quick and easy assembly
